The experiments have resulted in the discovery of an agent which completely obviates state of Texas. Carrying their experiments still further, they have ascertained that this same extract as completely controls the only remaining fermentation known to the arts and sciences, viz: Blood fermentation, which is the cause of fevers as well as of rheumatism. This agent they have combined with the extracts of ginger and lemon, thereby readering it a most efficacious as well as delightful and palatable beverage. It is not lightful and palutable beverage. It is not only one of the best tonics in its effects, but the use of it effectually prevents typho-malarial fever. At the same time, it is a sure cure for rheumatism. Dr. Hughes' Extract of Lemon and Ginger is put up in cases of two dozen bottles, and can be found at all first-class drug and grocery stores. grocery stores.

Fort Worth Business College Will open next Monday, August 31, with a full corps of teachers. Business, Eng. lish, short-hand and type-writing-Patrons are requested to make arrangements for entering pupils as early as pos-sible, as only a limited number can be accommodated in the English depart-ment; plenty of room in the commercial, short-hand and type-writing departments. There will be some one at the college every day this week to answer questions. Persons out of the city may address F. P. PREUTT, President.
